

Here are some examples  
of how Surprise  
Abundance shows up:

A check in the mail  
you didn't expect.

An unanticipated refund  
– or even inheritance.

A rebate offer you sent in  
ages ago and forgot about.

A twenty dollar bill you  
found on the sidewalk.

An unanticipated  
stock dividend.

Money simply came  
'out of the blue'.

We are excited about hearing of  
your experiencing the blessing of  
unexpected financial abundance!

## My Affirmative Prayer for Abundance

I (your name) \_\_\_\_\_ know that there is one loving Power, operating throughout the universe. I am one with this infinite Source of prosperous abundance. This infinite Resource of abundance is within me and all around me.

So, I \_\_\_\_\_ affirm, right now, that I am in the flow of full prosperity in all areas of my life: my finances, my health, my career, and my loving relationships... especially my relationship with myself.

I am open and receptive to this prosperous flow of good and I give back in kind, for I know that universal law works in both directions. As I sow, so shall I reap. Therefore, I gratefully share my good with love. I bless it, and it multiplies abundantly. I \_\_\_\_\_ am rich in God’s love, and that love is so full it flows with great abundance and enriches me.

I deny the power of any belief in lack or limitation. That belief is based on FEAR which is False Evidence Appearing Real. The greater Truth is that the Universe is an abundant reservoir of generous supply.

I reaffirm that I am one with the infinite Source of prosperity and that all good flows to me; that I \_\_\_\_\_ am a prosperous, loving, healthy person involved in exciting creative expression. I accept this good that enriches me and all with whom I have contact.

With gratitude I release this affirmative prayer into the loving law of the Universe, knowing that its work is already done! And so it is.
